

## PRAYER REQUESTS:

- Praise for 202 Cambodian, Christian School teachers and administrators who attended the first - ever Christian Educator's Conference hosted by GCI earlier this month. We have had the privilege of introducing the Association of Christian Schools International (ACSI) to Cambodia, and it would appear that the Christian school community will pursue a long-term relationship with them in the days ahead.
- In the midst of exciting reports of God at work, Jim shared that there are a number of ex-patriot missionaries and Cambodian church leaders that are finding themselves in the middle of serious "Spiritual Warfare" that is taking its toll on their stamina, marriages and overall attitudes. Let's be praying for courage and wisdom for those serving on the "front lines."
- Due to a very sluggish real estate market up in the mountains, Jim & JoAnn Weber are preparing to place their home in Grand Lake on the "Nightly Rental Program" in hopes that they can generate enough income to allow them to rent a place over here on the Front Range. Pray for a buyer for their home or sufficient rental income to allow them to establish a home base close to the GCI offices so that they won't have to be staying in a motel during the week.
- Pray for all the details related to three special Global Connection Up-date events to be held in Kearney, Nebraska on Sunday evening, September 18th, in Loveland, Colorado on Thursday evening, September 29th and in the Denver area on Friday evening, October 7th. It is our desire to provide a blessing and inspiration to all of those who partner with us for the cause of Christ around the world!

### Please continue praying for:

- President's Council Member, Katherine Anderson and her family are mourning the unexpected death of her son-in-law who passed away on July 4<sup>th</sup>.
- President's Council Member and Bi-Vocational Associate in charge of Rwanda, Gaylord Layton is providing extra care for his wife Kathy as she negotiates a heavy-duty course of chemo therapy to combat cancer.

Let's ask the Lord for an extra measure of His grace, comfort and strength for these special members of our GCI team.

If you have anything that we could partner with you in prayer over, please let us know and we would count it an honor to bring your request before the Lord during our staff prayer times.
